Office work/field

- Met with Ahmed and Maged to coordinate night work relating to HS rods .
- Met with Serif to request list of all pending issues relating to electrical .
- Met with Raj and his staff. Raj will move to SSD and I will take over the district staff at OTD .
- Spoke to Aaron Franklin regarding last night eye-bar repair inspection. Aaron said the HS rods at the lower saddle were torching again around it at 7'olcock position. MCM tweaked the first turnbuckle brace above on the south side and clearance was restored.
